CAREER OBJECTIVES

A motivated 4th-year Bachelor of Science in Information Technology student with hands-on experience in Quality Assurance. I work well in teams, follow instructions accurately, and enjoy learning new tasks. I am dependable, respectful, and ready to take on responsibilities. With foundational knowledge in software development, my current objective is to secure an OJT position where I can broaden my skills and explore versatile roles in IT Support, System Administration, or General IT Operations.

WORK EXPERIENCE

Quality Assurance (QA) Intern SIMPLEVIE *October 2025 – December 2025*

- Conducted software testing on applications to identify bugs, glitches, and usability issues.
- Documented errors clearly and reported them to the development team to help improve system performance.
- Assisted in reviewing user interfaces and system functionalities to ensure they met quality standards.
- Developed strong attention to detail and gained hands-on experience working collaboratively within a professional IT environment.

TECHNICAL SKILLS & PROJECTS

- **Front-End & UI/UX Design:** Knowledgeable in HTML, CSS, and JavaScript for creating responsive and user-friendly interfaces, alongside foundational experience with Figma.
- **Android Development:** Currently developing an Android application named Phindee using Java in Android Studio.
- **Productivity Tools:** Knowledgeable in Microsoft Office applications including Word, PowerPoint, Access, and Excel.

EDUCATION

- **Bachelor of Science in Information Technology (graduating)** New Era University - Quezon City *2022 – present*
- **Senior Highschool (STEM)** Felkris Academy - San Fernando City, La Union *2020 – 2022*
- **Junior Highschool** Felkris Academy - San Fernando City, La Union *2016 – 2020*
